

Monday Is The Last Day Of The Important November Silk Event

Our stock is replete with everything new in weave and color. Raw silks are higher and the cost of dye stuffs and dyeing is continually advancing.

And there is no question but that retail prices will go up as soon as present stocks are exhausted providing these conditions continue to prevail.

We suggest, therefore, that you supply yourself with all the silk fabrics needful during this event. None of our prices have been advanced, some of them have been reduced for this week while quality and style are both assured you.

WHY MISSOURI IS THANKFUL
My hair is falling out a bit.
As like as not
I'll soon be bald. I must admit
I'd rather not.
To grow bald makes one feel quite sad
But such is life.
And I can stand it. I am glad
It isn't my wife.

Little Miss Taffet
Sat in a bottle
Putting some cocktails away.
The regular moon spied her
And sat down to chide her—
And stayed there the rest of the day.
